Join us at Yards Brewing Company on Wednesday, March 12, 2014 from 5pm to 8pm for an evening with brewing historian and beer writer, Ron Pattinson. Ron will be discussing his new book, "The Home Brewer's Guide to Vintage Beer." [HOPS](#) members have brewed a few of the recipes from Ron's book & these beers will be sampled as part of Ron's talk. The Yard's tasting room is open and the kitchen serves until 6:30, PAYG. The event is FREE, but we'll be collecting donations for [Operation AVA](#), a no-kill animal shelter.

A limited number of copies of Ron's book will be available for purchase & signing. We will also have copies of George Hummel's book, 'The Complete Homebrew Beer Book' available, in case you'd like an introduction to homebrewing.

More about 'The Homebrewers Guide to Vintage Beer', from the publisher:

"Raise a glass to vintage beer! Treat yourself to a tour through time with this historical collection of beer recipes from 1800 to 1950. Within these pages, you'll discover timeless recipes, along with drink profiles, and tales of how these tasty brews became a part of the evolution of beer.

Each chapter delves into a different style of beer: porter, stout, pale ale, mild ale, stock ale, burton ale, scotch ale, brown ale, dinner ale, light ale, table beer, and more, and explores the history of each style with recipes representative of different periods in time. Whether you choose to adapt the recipes to suit your palette or recreate them, you'll bring history to life with each brew you make. Learn how beer has evolved over the last two hundred years and how you can easily recreate authentic recipes right in your own home."
